INSIDE INFORMATION ANNOUNCEMENT POSITIVE PROFIT ALERT

This announcement is made by the board of Directors (the “**Board**”) of Best Pacific International Holdings Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**” or “**we**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Following a preliminary review of the information currently available to the Board, which includes, but without limitation to, the unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (“**FY 2024**”), it is expected that the net profit attributable to owners of the Company for FY 2024 may increase by approximately 70% to 80%, as compared to the net profit attributable to owners of the Company of approximately HK\$346.9 million for the year ended 31 December 2023 (“**FY 2023**”).

The improvement in the net profit of the Group for FY 2024, as compared to that of FY 2023, was primarily attributable to the increase in the overall revenue of the Group for FY 2024 due to the recovering market demand, along with the anticipated benefits from better economies of scale and more stringent cost control on finance costs and other operating expenses.

The Company will prepare its financial results for FY 2024. The Board would like to point out that this announcement and the above mentioned figures are only based on the Company’s preliminary evaluation of the available unaudited financial information of the Group and other information currently available to the Board, which have not been audited nor reviewed by the auditor or the audit committee of the Company, and may be subject to adjustments and changes. The actual financial results for FY 2024 of the Group may be different from those disclosed in this announcement. The financial results of the Group for FY 2024 will only be ascertained after the relevant results have been finalised.

Detailed financial information and performance of the Group will be disclosed in the Company's annual results announcement for FY 2024, which is expected to be published on 24 March 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
